"I freely admit that real Christianity ... goes much nearer to Dualism than people think... The difference is that Christianity thinks this Dark Power was created by God, and was good when he was created, and went wrong. Christianity agrees with Dualism that this universe is at war. But it does not think this is a war between independent powers. It thinks it is a civil war, a rebellion, and that we are living in a part of the universe occupied by the rebel." – C.S. Lewis, Mere Christianity.
