

WELCOME:

WEEK FIVE

What do you feel has had a stronger affect in your life, what you have inherited (genes) from your parents or the environment in which you were raised?

WORD:

To cover one's face or head was to hide something or a sign of shame; to unveil the head and face was to be completely open and bold. Paul is pointing out that the indwelling of the Holy Spirit, which unveils our shame, is so glorious that others will see a difference in our lives as He dwells within us.

CHANGED BY THE SPIRIT

2 Corinthians 3:7-18

Study:

1. Why would Paul say to the Corinthians that the ten commandments brought death?
2. Moses' face shown with glory after spending 40 days with God: what does Paul say is more glorious?
3. What do you see in this passage as the old covenant and as the new covenant?
4. Why did Moses cover his face with a veil?
5. How is the veil covering the old covenant removed?
6. As the Holy Spirit dwells within us, what is happening to us?

Apply:

1. Share how over the course of time you see the Holy Spirit transforming your life.

WORKS:

Have you been praying for God to bless those on your Blessing List for 30 days yet? If so let them know that you have been praying for them. Then start finding ways you may bless them.
